

GENERAL COURSE DESCRIPTIONS AND WORKSHOP SCHEDULE

Friday, Sept. 29th, 2006

5:00-6:00 p.m. Check in/Registration/Set up tents

6:00-7:00 p.m. Welcome/Overview/ Dinner

7:00-9:00 p.m. General Session

Late Night Flyers

Wildlife biologists will introduce you to some special night time animals. Hopefully you will get to check out some bats, birds and other night time creatures.

9:00-10:00 p.m. Campfire Singing and Dessert

This is a special time to unwind and share stories with others, or just get to know your new friends. (Those not staying overnight may depart at this time if you so desire.)

Saturday, Sept. 30th, 2006

7:00-8:30 a.m. Breakfast

7:00-8:00 a.m. Sunrise Session (Optional)

Birding

Learn of the many varieties of local birds.

8:30-11:30 a.m. First Session

B. Fly Fishing (learning to cast)

This class teaches participants about the basics of casting and equipment necessary to get started. It is preparatory for the afternoon fishing class.

C. Dutch Oven Cooking

As you learn about the nuances of Dutch Oven cooking from our knowledgeable cook, you will also help prepare a delicious lunch for the W.I.N. participants. An added bonus will be pre-seasoned Dutch Ovens and cookbooks at a very reasonable cost.

D. Field Dressing Game Birds

This class teaches how to skin, clean, and cook game birds. These birds will be used for the Dutch Oven cooking class.

E. Rifle Shooting

Participants will learn shooting basics, how to zero in, choosing caliber, range estimates, how to shoot accurately under hunting conditions. Eye and ear protection, ammo and guns provided.

F. Outdoor Photography

Our instructor will give you plenty of tips on using a digital camera to get those great outdoor photos. Then it's off to try out your new skills. (Participants must provide their own camera.)

G. The Many Functions of Flora

Our field botanist will explain and identify local edible and poisonous plants and give their medicinal and other uses. Hiking is part of this workshop.

DISCLAIMER

Please note that many of our classes are of a physical nature. While we attempt to accommodate all individuals and all of our classes are aimed to the beginner, please use common sense when choosing classes to fit with your physical abilities. We care about our participants and do not wish for them to unnecessarily injure themselves. You will be required to sign a liability release form when you arrive.

11:30 a.m.- 1:00 p.m. Lunch Dutch Oven

1:00 p.m. - 4:00 p.m. Second Session

H. Fly Fishing (Learning to catch)

After learning basic fly fishing techniques in the morning, try your hand at really catching a few! The local pond will be stocked.

I. Archery

Participants will learn how to select bows, arrows, and other archery equipment. There will be opportunity to practice various skill techniques at a range.

J. Map, Compass, GPS Orienteering

Afraid of getting lost? Worry no more! This class on basic orientation will get you started in the right direction. A great tool to help you get to where you are going and find your way back.

K. Landscape Art

Participants will learn basic landscape painting techniques using watercolor.

L. Shotguns

Learn the basics of shooting with a shotgun. Safety is emphasized. Shotgun gauges and chokes will be explained. Shooting will be done at the McStay Willow Creek Ranch. Ear and eye protection, ammo and guns provided.

M. Canoeing

Basic canoeing skills will be taught at the Silver Creek Preserve. Safety will be emphasized. Lifejackets, canoes and paddles will be provided.

4:00 p.m. Wrap up/Closing

NOTE:

Please be mindful that most of these classes do require some walking and/or standing!

Idaho Women In Nature Sept. 29th - 30th, 2006

*DON'T MISS OUR
OUTDOOR EXTRAVAGANZA
AT
HAYSPUR FISH HATCHERY*

For more information contact:
Idaho Department of Fish and Game
Magic Valley Region
319 So 417 E
Jerome, Idaho 83338
Tel:208-324-4359

GENERAL INFORMATION AND REGISTRATION:

Only one person may register per form. Photocopy for additional registrations. No registration is accepted by telephone, e-mail or fax. Payment must accompany the registration. Upon registration and payment, you will receive confirmation of your classes and all pertinent information you will need. Participants must be at least 16 years of age.

WIN attempts to accommodate all first class choices but reserves the right to substitute second and third choices when necessary. Class size is limited and taken on a first come - first served basis.

WIN will provide a tent space for you. It is not a requirement that participants stay overnight, however WIN encourages the experience. **NO ALCOHOL** is allowed on the premises at any time during the workshops.

Registrants who register and do not attend and fail to cancel at least a week prior are not eligible for a refund, however you may send a substitute.

The workshops will begin and conclude at Hayspur Fish Hatchery and Silver Creek Preserve. Limited transportation is offered to and from the College of Southern Idaho.

If you have any special physical needs or food requirements, please attach a separate paper indicating what they are, so WIN can attempt to accommodate those needs.

Participants understand that photographs, video, or audio tape may be taken during the workshop and may be used in future support of the program.

REGISTRATION FORM

Name _____

Jerome, Idaho 83338.

The Idaho Department of Fish and Game, Magic Valley Region presents Idaho Women In Nature 2006. This one and a half day overnight workshop is the perfect forum to learn a new outdoor life skill and meet like minded women in a non-competitive setting. All of our classes are taught hands-on style by well qualified instructors. All of the instruction, equipment, materials, meals, and camping fees are included in the registration price.
